Comments:

7/6/99 - Letter sent stating inspection has not been performed as requested in 1998, due to number of requests made. DOGM will try to complete inspections by end of 1999 year. If site cannot be released, then both 1998 and 1999 years will be due within 30 days from date of inspection.

7/8/98 - Received operator request to inspect and close the file, "fee not enclosed." Operator very adamant about us closing this file. He thinks we are harassing him. Wants us to take him off our stupid computer list. Stop threatening him with illegal billings, and delinquent fee charges. His next letter will be to his congressman if we don't stop. He is returning all our mail so it "don't stink!"
